## SPECIFICATIONS

Tecno70 is a complete, practical, compact and functional range. This range offers a winning price/quality ratio ideal for restaurants, cafés and small canteens.

The 35/70/105 cm wide units make effective use of space, offering professional performance.

### COMPACT

The units are compact, meaning you can work with professional equipment in small spaces.

### COMPREHENSIVE AND FLEXIBLE

The range is made up of dozens of top and freestanding units which can easily be combined with different compartments and oven and refrigerated base units to meet your every cooking need!

### SAFETY

The gas appliances are certified by German body DVGW and have passed the most stringent safety tests. The electrical appliances are tested at our facility and are CE certified

### ULTRA-RELIABLE

Created in 2001, the range has been progressively enhanced and expanded, reaching a very high level of satisfaction among users and installers.

### FINISHES

Design features such as moulded tops with rounded corners, removable splashback and joining elements to make cleaning easier and ensure good hygiene.

### TECHNICAL COMPARTMENT

The majority of the units are fitted with a technical compartment at the back for connections and hook-ups.

## GAS FRYERS

- Freestanding on closed unit.
- Heats up quickly thanks to the heat exchangers in the tank.
- Oil tank and baskets included.
- Large cool zone on the tank bottom for easy cleaning.
